worldwide cancer research

bold research will cure cancer

name

challenge undertaken

how to play

1. Ask your friends to guess how long you will take to complete your sponsored run, cycle or other challenge. Each guess must be different. You could also suggest they make a donation (use a collecting tin to collect your donations).
2. Keep a record of everyone's guesses on our sweepstake poster.
3. After your challenge, present the winner with a prize and donate the remainder towards your fundraising goal.

name	time (nearest wins)

thank you

We couldn't fund pioneering cancer research projects in the UK and across the globe without you. Your support will help improve our understanding of cancer – allowing us to develop more effective treatments that you and your loved ones may rely on in future.
